## NRO DECLASSIFICATION/RELEASE INSTRUCTIONS ON FILE

MEMORANDUM FOR: Assistant Director for ELINT, DD/S&T

SUBJECT: Ground Photographic Coverage of Domestic Targets with Delta II Configuration

REFERENCE: Your memorandum, dated 9 June 1964,  
Subject: [REDACTED] Photographic  
Coverage [REDACTED] 25X1A2g

25X1X4

1. Because of the scarcity of U-2 assets available for domestic commitment at the present time, OSA finds itself unable to respond to your suggestion contained in the reference calling for flights over a selected area south of Las Vegas, Nevada for purposes of comparison with the [REDACTED]

25X1X4

2. It is doubtful that we will obtain relief from this tight aircraft inventory situation until about the middle of August when we will be receiving another aircraft from Lockheed on the completion of the IRAN.

3. In the meantime if, through some embarrassment of riches, we are able to accommodate this request with our one properly configured U-2 now committed to the [REDACTED] investigations, we will try and sandwich a few sorties in. Please let me know if this is satisfactory.
